Martha and John –

As discussed on the call, I am forwarding Mr. Nardinelli's email from April 10 that set forth Waymo's position on the scope of waiver.

Best,
James

Arturo,

Per and consistent with our discussion this morning, I have attached notes from Mr. Brown as Uber has requested. The production of the notes concerns and is limited to the disclosures in his declaration regarding the investigations addressed therein. This production is without waiver of and without prejudice to any other work product protection/privilege. To the extent his notes reflect any other investigation beyond the scope of his declaration, that material has been redacted/withheld as work product.

Thanks,
Jeff
